

### **Christ centered**

Jesus Christ is Lord and head of the church and of our lives. Prayer is vital and effective in all we do as we seek to follow him.

### **Biblical**

The Bible is understood to be the word of God. It is the guide for our individual lives, church practice, and the source of all our teaching.

### **Friendly**

We welcome all into an atmosphere of warmth and love. We endeavour to provide for families, individuals, old and young whatever their background.

### **Relevant**

We want to live out our faith in the 21st century, showing Christ as not only relevant but essential to life today. We seek to use the best of the new without forsaking the richness of the past.

### **Inclusive**

We serve all, local and expat alike. We are in a multi-language and multi-cultural community and look to show the love of Christ to everyone without prejudice.

### **Involving**

The Christian life includes service, and all have been given gifts to use to the glory of God.

### **Outward looking**

The church has a message to share that is urgently needed by those without Christ. We actively seek to make the Good News known.
